

Dear Partner,

We appreciate your interest in Horace Dan D.'s work and your decision to work with us. Every event is very important to us and we always strive to provide clubs and people with an exciting performance.

This is why we kindly ask of you to go through these very simple technical requirements, in order to ensure best conditions for a successful night. It's always the simple things that can make the big difference.

Please feel free to ask any questions that you might have.
Thanks you very much indeed for your continued support and cooperation.

- > 2 x Technics Turn tables 1210 MK II SL
- > 1 x Mixer Pioneer DJM800
- > 1x or 2x Stereo monitor boxes
- > enough free space as in picture below
